Mr. Eason explained that since the filing of Chapter 13 bankruptcy and Dr. Scoccia being relieved of his duties a board was formed in an attempt to salvage and reestablish services within the area. Community members are having to travel a couple of hours in either direction to receive care except for in emergency situation where they can be evaluated at the emergency room and then flown out for further care. Mr. Eason also informed all in attendance that the hospital has received some money from RMGC totaling \$250,000.00 dollars. ### PUBLIC COMMENT AND DISCUSSION

Sweeney reported that there has been some discussion about moving the Town Hall to the Simpson Center and creating office space in the room commonly known as the Teen Center. The current Town Hall facility can be a rental facility after some reconstruction of the building making it more feasible for rental purposes. These changes would include deleting the position of Recreation Secretary and the current staff absorbing those duties. The item will be on the agenda for the next regularly scheduled meeting in July.

### ADJOURN MEETING

**ACTION:** Browning made the motion to adjourn the meeting. Beery-Burggraff seconded the motion; motion passed 5-0. Meeting adjourned at 5:59 pm.
