The family deductible and out-of-pocket limit are embedded, meaning the cost shares of one family member will be applied to the per member deductible and per member out-of-pocket limit; in addition, amounts for all covered family members apply to both the family deductible and family out-of-pocket limit. No one member will pay more than the per member deductible or per member out-of-pocket limit.

All medical and prescription drug deductibles, copayments and coinsurance apply to the out-of-pocket limit (excluding Out-of-Network Human Organ and Tissue Transplant (HOTT), Cellular and Gene Therapy services).

In-Network and Out-of-Network deductibles and out-of-pocket limit amounts are separate and do not accumulate toward each other.
