

# YOU'RE INVITED!

## Community Open House

**Do you live, work, or recreate near Nellis Air Force Base, Creech Air Force Base, or the Nevada Test and Training Range?**

You are invited to participate in upcoming public open houses for the Nellis Complex Joint Land Use Study (JLUS) that will address compatibility issues related to military installations in your community. Please join us to learn more about the JLUS and provide input on the compatibility issues that have been identified so far, as well as to identify any issues not yet considered. Input from the community is essential to develop a plan that is responsive to local needs.

**For more information on the JLUS project, please visit:**
