of land, fully understand and accept the conditions listed below and upon which this approval is made.

1. The combined water use from the well for the main residence and any accessory dwelling shall not exceed two (2) acre-feet per year as provided in Chapter 534.180 of the Nevada Revised Statutes (NRS).
2. A totalizing meter shall be installed near the discharge of the well that provides water to the main residence and the accessory dwelling. This meter shall be easily accessible for meter reading by the DWR and maintained in good working order and shall be installed to measure all water pumped from the well for the purposes of this approval. No water shall be used by the accessory dwelling until the meter has been installed.
3. The main residence and any accessory dwelling shall remain on the same parcel as determined by the County Assessor records, or this authorization shall be rescinded.
4. Water usage measurements from the totalizing meter must be submitted by the parcel owner to DWR no later than January 31st of each calendar year.
