

Are you enrolling on the HMO plan and looking for a primary care provider?

Finding one online is fast and easy!

The right doctor can make all the difference — and choosing one in your plan can save you money, too. Our Find a Doctor tool will help you search for your primary care provider.

Here's all you need to do to find a doctor near you:

Go to: **anthem.com/find-doctor**

- Search as a "**Guest**" selecting the following fields
 - What type of care are you searching for?
 - **Select Medical**
 - What state do you want to search with?
 - **Select Nevada**
 - What type of plan do you want to search with?
 - **Select Medical (Employer Sponsored)**
 - Select a plan/network:
 - **Select HMO**
 - After selecting the following above options, you will be brought to a new screen to enter location. (Nye County, NV or Pahrump, NV for example)
 - You may then "**Search by doctor**" (name or specialty)
 - After searching for your primary care doctor, the code needed to assign your doctor of choice will be listed under, "**PCP ID**"
 - Example as follows:
 - **PCP ID:**
 - **1ABC**

Please provide the specific code for your assigned primary care doctor upon enrollment for your health plan.

Note, if you do not select a primary care doctor, one will be assigned to you closest to your home zip code on file. Should you wish to change selection made, you may do so by calling the customer service number on the back of your ID card.

If customer service is notified before the 15th of the month we are able to back date primary care selection to the first of the month. If customer service is notified after the 15th of the month primary care selection will be first of the following month.
