

COUNTY OF NYE

CLASS TITLE: Community Planner

BASIC FUNCTION:

Under the direction of the Nuclear Waste Repository Project Office Director, plans, directs, reviews and evaluates the work of planning and technical support staff; performs professional level work on difficult, complex, or advanced, transportation, infrastructure, and/or other specialized planning projects and programs.

Incumbent will assist in coordinating Yucca Mountain nuclear waste repository design, implementation, construction, operation, and closure impact assessment/impact mitigation with the local communities, county, state, and federal agencies. Incumbent will be able to act as the County's representative by making presentations to state and federal agencies, including elected officials; draft and integrate Yucca Mountain related plans with the aforementioned entity's master or area plans; ensure conformity with the Nye County Community Protection Plan (CPP) objectives and Nye County policies; and to provide highly responsible and complex administrative support to the member agencies.

This Class exists only to the extent that funding is available.

REPRESENTATIVE DUTIES: *(Performance of these functions is the reason the job exists.*

Assigned job tasks/duties are not limited to the representative duties).

1. As project team member, provides direction, training and work review to other professional team members on a project; organizes work, sets priorities, and follows-up to ensure coordination and completion of assigned work.
2. Coordinates and performs research, administrative and technical activities necessary to achieve planning project or program objectives; has responsibility for one or more specific programmatic areas.
3. Compiles and analyzes information such as population and economic growth estimates, demographic, natural resource, housing, transportation, municipal infrastructure, and land use data.
4. Interprets codes, regulations and policies related to specialized planning; assists contractors, developers and others in the interpretation of zoning and related codes.
5. Provides input into and assists in administering specific project, unit and/or program budgets.
6. Coordinates and oversees the work of contract professionals; negotiates and administers consultant contracts.
7. Assists in developing and performs evaluations and analyses pertaining to the elements of the county comprehensive plan, area plans, transportation plans,

environmental assessment reports, implementation, redevelopment, and capital improvement plans, programs, and related municipal ordinances and policies.

8. Confers with personnel from other departments and agencies in coordinating assigned work; meets with representatives of community organizations and other groups to encourage cooperative action or to resolve problems.
9. Makes oral presentations before various boards and committees, community groups and boards of other governmental agencies; assists in compiling agenda items for meetings and follows-up as required after action is taken.
10. Attends regular formal and informal interagency meetings on behalf of the NWRPO; prepares and distributes agenda materials for the board meetings; makes oral presentations before the Nye County Board of Commissioners, and local planning agencies; conducts follow-up after board meetings and ensures that actions are implemented.
11. Makes special investigations of a technical nature regarding planning projects; prepares reports of conclusions and recommendations.
12. Directs the preparation of, and personally prepares, maps, charts, models, sketches and other graphic presentations; prepares reports, presentations, correspondence and other written materials.
13. Contributes to the efficiency and effectiveness of the Department's service to its customers by offering suggestions and directing or participating as an active member of a work team.
14. Attends and participates in professional group meetings; stays abreast of new trends and innovations in the field of regional planning.
15. Uses standard office equipment, including a computer, in the course of the work.
16. Identifies possible sources of federal funding; prepares and administers federal grant and other funding requests; ensures appropriate record keeping and reporting to various funding agencies; oversees and coordinates external auditing processes.
17. Performs other duties as directed by the NWRPO Director.
