At the January 22, 2025 meeting, the BoCC set a Public Hearing on this Bill for February 19, 2025 at 10:00 AM.

Nye County entered into a development agreement with the developer of the North Canyon Homes subdivision, with an effective date of July 21, 2020. The development agreement has a 5-year time period and will expire July 21, 2025 (unless extended by the BoCC). The developer for North Canyon Homes is requesting a 5-year extension to the development agreement. The only change is to extend the agreement an additional 5 years. Any amendment to the agreement is considered "solely by the BoCC for adoption or rejection." See paragraph 3.9. Pursuant to paragraph 11.2, the Developer is within the time for requesting an extension as his request is prior to expiration of the agreement. The Developer is not in default of the agreement.

This Development Agreement (the "Agreement") is made and entered into this 21st day of July, 2020 by and between the County of Nye, State of Nevada (hereinafter "County") and Cedar Trees, LLC, (hereinafter "Developer"), as owner of certain real property located at 290, 330, 370 and 410 E. Simkins Road, Pahrump, Nevada, as commonly known as "North Canyon Homes" and more particularly described as County Assessor's Parcel Numbers 027-331-06, 23, 24 and 25 (the "Property").

RECITAL OF PREMISES, PURPOSE AND INTENT

- A. Developer owns that certain real property described and shown on Exhibit "A" attached hereto and incorporated herein by reference (hereinafter the "Property") containing approximately 16.00 acres of land, which is the subject of this Agreement.
- B. The County has authority, pursuant to NRS Chapter 278.0201 to 278.0207 and Nye County Code, Chapter 16.32, to enter into development agreements with persons having a legal or equitable interest in real property to establish long-range plans for the development of such property.
- C. All preliminary processing with regard to this Agreement has been duly completed in conformance with all applicable laws, rules and regulations. The Nye County Board of County Commissioners (hereinafter "BoCC"), having given notice as required by law, held a public hearing on Developer's application seeking approval of the form of this Agreement and the execution hereof by the BoCC. At that hearing, the BoCC found that this Agreement is consistent with the County's plans, policies and regulations, including the Pahrump Regional Planning District Master Plan (the "Master Plan"), and that the execution of this Agreement on behalf of the County is in the public interest and is lawful in all respects.
- D. On the 21st day of July, 2020 the BoCC adopted Ordinance No. 565 approving this Agreement and authorizing the execution hereof by duly constituted officers of the County. Said ordinance took effect on the 10th day of August, 2020. The County agrees to record a certified copy of the ordinance as required by NRS Chapter 278.
- E. The County desires to enter into this Agreement in conformance with the requirements of NRS Chapter 278, and as otherwise permitted by law and this Agreement, to provide for public services, as limited to and further defined within specific exhibits attached hereafter, to further the goals and values of the County's Master Plan, to promote the health, safety and general welfare of the County and its inhabitants, to minimize uncertainty in planning for and securing orderly development of the Property and surrounding areas, to insure attainment of the maximum efficient utilization of resources within the County in a way that provides the highest economic benefit and least fiscal cost to its citizens, and to otherwise achieve the goals and purposes for which the laws governing development agreements were enacted. The conditions stated in this Agreement will reasonably mitigate the impacts that the development of the Property will have on the citizens of the Pahrump Regional Planning District. The County finds and determines that the conditions of this Agreement were not an inducement for the rezoning of the Property or to any other land use decision relating to the Property.

The County finds and determines, and the Developer agrees, that the conditions established in this agreement are unique to the Proposed Development (as defined in this agreement) and were negotiated at arms length between the County and the Developer, and that the conditions of this Agreement have no binding or precedential effect with regard to future development agreements in the County, and cannot be relied upon by the parties to this Agreement, or future applicants for rezoning, subdivision plat, or other land use approvals in other Development Agreements.

This Agreement is consistent with and will implement the goals and objectives of the County Code, Titles 16 and 17, and the Master Plan.

- (a) A nonmaterial modification is a modification requested by the Developer that:
 - (1) meets or exceeds the requirements of the VR-20 zoning district development standards; and
 - (2) does not decrease the amount of open space provided; and
 - (3) does not increase the amount of land area covered by this Agreement; and
 - (4) does not involve a relocation of land use classifications (e.g., residential, commercial, industrial); and
- (b) A nonmaterial modification includes any rearrangement of the internal street pattern that increases the efficiency of traffic patterns, increases the efficiency of

utility services, and improves drainage patterns, as determined by the Planning Director after consultation with the Nye County Department of Public Works.

- (c) A nonmaterial modification shall be reviewed and acted on administratively by the Planning Director within thirty (30) days. If Developer is aggrieved by the Director's decisions, Developer may appeal that decision in accordance with § 16.36.080.E of the Code.

- (a) Except as provided in subsection (b) of this section, the Parties agree that any Subdivision Maps required or requested by Developer or Merchant Builder in connection with the Proposed Development shall be reviewed and considered for approval in accordance with the Applicable Rules.
- (b) County agrees to accept and timely process all subdivision maps requested by the Developer in accordance with the Applicable Rules. Developer agrees that County may require one or more of the following prior to the recordation of a final map:

 - (2) Copy of any required Environmental Report for the Property; and
 - (3) County approval of and conformance to the Technical Drainage Study; and

Nothing in this Agreement requires the County to approve an Improvement District.

4.5 Maintenance of Public and Common Areas.

- (a) County hereby agrees that, except for any sidewalks, landscaped areas, landscape appurtenances, and street lights located inside the public right-of-way, all of the dedicated public roadways and curbs which are within or adjacent to the Proposed Development will be maintained by the County as required by law. All landscaping

and street lighting within the public rights-of-way within or adjacent to the Proposed Development shall be privately maintained by HOA in accordance with NRS Chapter 116 requirements providing certain standards and regulations relating to, but not limited to, reserve accounts and liability insurance. Appropriate encroachment agreements shall be entered for all such landscaping.

HOA shall similarly maintain all privately maintained on-site improvements in accordance with the requirements of NRS Chapter 116.

With respect to any final map, Developer will cause the formation of a master association governing the property incorporated in the map. Such associations will be responsible to maintain in good condition and repair all of the landscaping and other facilities which the County requires to be maintained by such associations as a condition of approval, including all developed and undeveloped landscaped areas such as parks and park facilities, trail corridors, drainage easements, sight visibility zones, and any landscaping on public rights of way. Developer agrees that such homeowner's association shall be created pursuant to declarations of covenants and restrictions recorded against the Proposed Development and that such association shall have the power to assess the subject landowners to pay the cost of such maintenance and repair and to create and enforce liens in the event of the nonpayment of such assessments. Developer further agrees that such declarations will contain a covenant running to the benefit of the County, and enforceable by County, that such facilities will be maintained in good condition and repair. Such associations will be Nevada not-for-profit corporations with a board of directors elected by the subject landowners, provided, however, that so long as Developer owns any land covered by such declarations, Developer may control the board of directors of such association.
- (d) The declaration must be executed and recorded with the office of the Nye County Recorder, concurrently with the recording of any final map, in a manner acceptable to the County and must include the following provisions:

4.7 Additional Property.

Developer may not include property outside the boundaries of the Proposed Development within the terms of this Agreement without the prior approval of the BoCC. If Developer requests additional property to be included, the BoCC must reconsider additional impacts of the proposed additional development and must ensure that all impacts are appropriately mitigated through Developer contributions, impact fees, and any other allowable revenue source. Furthermore, the BoCC reserves the right to adjust the terms of this Agreement as a condition for allowing the addition of property.

Pursuant to NRS Chapter 278.0205.1 and Section 16.32.110 of the Code, the BoCC may request, pursuant to written notice to Developer, to review the development at least once every twenty-four (24) months during the term of this Agreement. In the event the BoCC provides such notice, Developer shall have thirty (30) days to provide a written report to BoCC containing the reporting requirements stated below.

Reporting requirements include information regarding the progress of development within the Proposed Development, including, without limitation: (i) data showing the total number of residential units built and approved on the date of the report; (ii) specific densities within each project and within the Proposed Development as a whole; and (iii) the status of development within the Proposed Development and the anticipated phases of development for the next calendar year. In the event Developer fails to submit such a report, Developer shall be in default of this Agreement. If at the time of review an issue not previously identified in writing is required to be addressed, the review at the request of either party shall be continued to afford reasonable time for response.

5.2 Opportunity to be Heard.

The report required by this Section 5 shall be considered solely by the BoCC in accordance with the rules and procedures of Section 16.32 of the Nye County Code. County and Developer shall each be permitted an opportunity to be heard orally and in writing before the BoCC regarding performance of the parties under this Agreement.

5.3 General Provisions-Default.

In the event of any noncompliance with any provision of this Agreement, the party alleging such noncompliance shall deliver to the other in writing not less than thirty (30) days notice of default. The time of notice shall be measured from the date of certified mailing. The notice of default shall specify the nature of the alleged default and the manner and period of time in which it may be satisfactorily corrected, during which period the party alleged to be in default shall not be considered in default for the purposes of termination or institution of legal proceedings. Such period shall not be less than the thirty (30) days. If the default is corrected, then no default shall exist and the noticing party shall take no further action. If the default is not corrected, the party charging noncompliance may elect any one or more of the following courses.

- (a) **Option to Terminate.** After proper notice and the expiration of the above-referenced period for correcting the alleged default, the party alleging the default may give notice of intent to amend or terminate this Agreement as authorized by NRS Chapter 278. Following any such notice of intent to amend to terminate, the matter shall be scheduled and noticed as required by law for consideration and review solely by the BoCC.
- (b) **Amendment or Termination by County.** Following consideration of the evidence presented before the BoCC and a finding that a default has occurred by Developer and remains uncorrected, County may amend or terminate this Agreement. In the event of default by Developer, County shall have the option, in its discretion, to maintain this Agreement in effect, and seek to enforce all of Developer's obligations hereunder under the procedures set forth in this Section and Section 5.5. County also reserves the right to terminate this Agreement and pursue collection and/or performance of any of Developer's obligations that were required by this Agreement up to the point of termination. Termination shall not in any manner rescind, modify, or terminate any vested right in favor of Developer, as determined under the Applicable Rules and Nevada Law, existing or received as of the date of the termination and to the extent that Developer has performed its obligations under this Agreement. Developer shall have sixty (60) days after receipt of written notice of termination to institute legal action pursuant to Section 5.5 hereof.
- (c) **Termination by Developer.** In the event County substantially defaults under this Agreement, Developer shall have the right to terminate this Agreement after the hearing set forth in this Section. Developer shall have the option, in its discretion, to maintain this Agreement in effect, and seek to enforce all of County's obligations hereunder under the procedures set forth in this Section and Section 5.5.

- (d) Waiver. Failure or delay in giving notice of default shall not constitute a waiver of any default. Except as otherwise expressly provided in this Agreement, any failure or delay by any party in asserting any of its rights or remedies in respect of any default shall not operate as a waiver of any default or any such rights or remedies, or deprive such party of its right to institute and maintain any actions or proceedings that it may deem necessary to protect, assert, or enforce any of its rights or remedies.

5.4 Unavoidable Delay, Extension of Time.

Neither party hereunder shall be deemed to be in default, and performance shall be excused, where delays or defaults are caused by war, insurrection, strikes, walkouts, riots, floods, earthquakes, fires, casualties, acts of God, restrictions imposed or mandated by governmental entities, failure of governmental agencies (other than County) to perform acts or deeds necessary to the performance of this Agreement, enactment of conflicting state or federal laws or regulations, new or supplementary environmental regulations, litigation, or similar matters beyond the control of the parties. In addition, nonperformance of a party hereunder shall be excused as a result of the failure of the other party to perform under this Agreement which failure of the other party actually causes such nonperformance. If written notice of any such delay is given to County within thirty (30) days after the commencement thereof, an automatic extension of time, unless otherwise objected to by County within thirty (30) days of such written notice, shall be granted coextensive with the period of the enforced delay, or longer as may be required by circumstances or as may be subsequently agreed to between County and Developer. Any such extensions of time shall have no effect upon the timing of and the conclusions reached in the reviews to be conducted pursuant to Section 5.1 above.

5.5 Legal Action.

County and Developer agree that they would not have entered into this Agreement if either were to be liable for damages under or with respect to this Agreement that would be greater than without this Agreement. Accordingly, County and Developer may pursue any course of action or equity available for breach, except that neither party shall be liable to the other or to any other person for any monetary damages for a breach of this Agreement that are greater than such damages or liability would have been without this Agreement pursuant to the Applicable Rules. Prior to the institution of any legal action, the party seeking legal action must give the thirty (30) day notice of default as set forth in Section 5.3. Following such notice, and the failure of the notified party to cure such non-compliance within the time period set forth in Section 5.3, a public hearing must be held by the BoCC where the allegations will be considered and a decision regarding their merits will be reached. Any judicial review of this decision or any legal action taken pursuant to this Agreement will be heard by the court, and the decision of the BoCC shall be overturned or overruled if its decision is clearly arbitrary and capricious. Judicial review of the decision of the BoCC shall be limited to the evidence presented to the BoCC at the public hearing. Jurisdiction for judicial review or any judicial action under this Agreement shall reside exclusively with the Fifth Judicial District Court, State of Nevada- Department 2 (Pahrump).
