FASTT Monthly Progress Report

Progress reports are due monthly by the 15th of the following month. Upload progress reports to the SAPTA SFTP site to your "Reports" folder and send a notification email to your analyst.

Reports are month specific and relate to the work the organization has done within the reporting month. Please complete a short update for each objective you have worked on during the reporting month.

If you have any questions or concerns, contact the Bureau of Behavioral Health Wellness and Prevention at 775-684-4190.

Goal 1: To increase public safety by reducing recidivism.

Outcome Objective 1a: RISK/NEED - To use the criminogenic risk and behavioral health needs framework and criminogenic-model to ensure 95% of the SAPTA-funded FASTT services are prioritized for **moderate- to very-high risk** individuals with moderate to high behavioral health needs.

Activities:	Due Date	Documentation
1. FASTT staff will participate in trainings and technical assistance activities as provided by DPBH staff, as requested.	Monthly	<p>Dates of meetings/trainings: None provided by DPBH</p> <p>Name of meetings/trainings:</p> <p>Names of attendees:</p>

Outcome Objective 1b: Screen at least 95% of the individuals referred to FASTT for their criminogenic risk-level, using the evidence-based **Community Supervision Screening Tool (CSST)**.

Activities:	Due Date	Documentation
<p>1. Using the CSST, FASTT staff will screen individuals who have been referred to the program. Screenings will take place within seven business days after the FASTT staff receive the referral.</p>	<p>Monthly</p>	<p>Total number of individuals screened: Screened 7 individuals</p> <p>Total percentage of individuals screened:</p> <ul style="list-style-type: none"> • Number who score High: 6 • Percentage of who score High: 86% • Names who score High: F932EA91E, 642E97238, F3E54A712, 4B54A6011, 6E4979DBA, C9E579D89 • Number who score Low: 1 • Percentage who score Low: 16% • Names who score Low: 2C32300FE

Outcome Objective 1c: Using the evidence-based Community Supervision Tool (CST), assess at least 25% of the individuals who score high-risk to reoffend on the CSST. Each assessment appointment is approximately 2 hours and includes: jail access, assessment, case planning, formal written referrals, case coordination, facilitated hand-off, and data entry.

Activities	Due Date	Documentation
1. Using the CST, FASTT staff will assess participants within 21 business days of receiving the referrals.	Monthly	<p>Total number of individuals assessed: 10 Individuals</p> <p>Total percentage of individuals assessed:</p> <ul style="list-style-type: none"> • Number who scored as Low Risk: 2 • Percentage who scored as Low Risk: 20% • Names of those who scored as Low Risk: D70B211F3, 4B54A6011 • Number who scored as Moderate Risk: 3 • Percentage who scored as Moderate Risk: 30% • Names of those who scored as Moderate Risk: 146116832, 9B4079610, D064C944C • Number who scored as High Risk: 3 • Percentage who scored as High Risk: 30% • Names of those who scored as High Risk: 7DA50C619, 642E97238, C9E579D89 • Number who scored as Very-High Risk: N/A 2 • Percentage who scored as Very-High Risk: N/A 20% • Names of those who scored as Very-High Risk: N/A 6E4979DBA, 51EBF6735

Outcome Objective 1d: Provide case management for at least 95% of the individuals who have completed a CST assessment, who score moderate to very high risk to reoffend, and who have moderate to high behavioral health needs; as evidenced by the person's scores on the criminogenic need domains and any responsivity indicators.

Activities:	Due Date	Documentation
1. The FASTT staff will provide participants with case management within seven business days after the CST assessment.	Monthly	<p>Total number of moderate- to very-high risk individuals who were provided case management: 28 individuals</p> <p>Total percentage of moderate-to very-high risk individuals who were provided case management: 100%</p> <p>Names of moderate- to very-high risk individuals who were provided case management: 146116832, 19C785D04, 257A9C512, 3A71KNC39, 4B54A6011, 50E1A004F, 51EBF6735, 524F598A5, 642E97238, 6E4979DBA, 720153C09, 7DA50C619, 909948F1D, 94D465860, 9B4079610, A4EFF0659, A5C94A37F, AE2626D9B, B462908CC, BF7E6E63F, C9E579D89, CB840CC9D, CC3B0E4F6, CE16992DB, D064C944C, D70B211F3, E792BF5F4, F3E54A712</p>

Outcome Objective 1e: Based on the CST assessment, develop an individualized, comprehensive case plan for at least 75% of the individuals who score moderate to very high-risk to reoffend and who have a moderate to high behavioral health need. The case plans will be initiated in the jail, will specify the individual's risk level and criminogenic needs, and will be designed to transition the individual into the community.

Activities:	Due Date	Documentation
1. The FASTT staff will develop case plans with the participants within 14 business days of the CST assessment.	Monthly	<p>Total number of case plans developed for moderate- to very-high risk individuals: 2 Individuals</p> <p>Total percentage of case plans developed for moderate- to very-high risk individuals: 100%</p> <p>Names of moderate- to very-high risk individuals for which case plans were developed: D064C944C, D70B211F3</p>

Outcome Objective 1f: FASTT staff will provide 2, 1.5 hour standardized, evidence-based, public-domain, curricula-based intervention groups each week that target the majority of the participants' criminogenic needs, as determined by the CST criminogenic domains: Criminal attitudes and Behavioral Patterns; Peer Associations; Substance Use; Neighborhood problems; Family and Social Support; Education, or Employment and Financial Situation

Activities:	Due Date	Documentation
<p>1. SAPTA staff will provide evidence-based, public-domain, curricula targeting at least three of the criminogenic domains.</p> <p>2.
