OPEN MEETING LAW

Person interested in applying for membership on a Board should be aware of the requirements of the Nevada Open Meeting Law under which all Boards are governed. The Nevada Open Meeting Law, NRS Chapter 241, declares legislative intent that all public bodies (including Boards) exist to aid in the conduct of the people's business and that it is the intent of the law that the member who takes action in violation of Open Meeting law, with knowledge of the violation, is guilty of a misdemeanor and may be prosecuted. Wrongful exclusion of any person from a meeting of the public body is also a misdemeanor. Any time a majority of Board members gathers together in a place that has not been legally posted per Open Meeting law requirements, they cannot discuss or deliberate on an action. This does not preclude members from gathering together; it does require that they do not discuss and deliberate on County or area business.
