Pahrump, NV, 89048

Nye County Board of County Commissioners,

University of Nevada Reno, Extension is in full support of the Town of Pahrump's new Civic Center. Extension Educators Misha Allen and Hayley Maio are in support of naming the center *Community Activity and Events Center at the Pahrump Fairgrounds* and supporting its proposed uses to help contribute to the town's social and community development. This center will become a vital resource for our community's social engagement, education, and continued growth.

The new community center would provide much needed space for community recreation programs, additional 4-H positive youth development programs, and adult education programs. Providing a safe space for community events and workshops will be critical to the growth and development of Pahrump and its people; providing opportunities for people of all backgrounds to connect, learn, and thrive.

Pahrump's community center has the potential to become a cornerstone of the town's social and community development, offering countless benefits to community members and families for years to come. We are in full support of Pahrump's new community center and the countless benefits it has for the town and surrounding communities.

Sincerely,

Hayley Maio

Re: Pahrump Fairgrounds Civic Center

Dear Mr. Boskovich and Mr. Waggoner,

Thank you for your work on behalf of the residents of Nye County. Adaven Management, Inc., is in support of the County's continuing efforts to build a better, well-rounded community.

On April 8, 2025, the Nye County Board of County Commissioners will consider a Regular Agenda Item (Item 16) to discuss issues related to the proposed Nye County Community/Civic Center at the Pahrump Fairgrounds. As the Board may be accepting public comment on the issue, this letter is written to share our thoughts.

Our belief is that the Civic Center should be a multi-purpose facility that can be configured for a variety of both indoor and outdoor events, many of which are listed in the Agenda Item description.

Several names for the Civic Center are suggested in the Agenda Item description. The name that seems to best describe a multi-purpose facility at the Pahrump Fairgrounds succinctly is the Pahrump Fairgrounds Activity Center. The BOCC may also consider naming the Civic Center to honor individuals who are a driving force behind the development of the facility.

Again, we support the County's efforts to improve and create a well-rounded community and believe the proposed multi-use Civic Center will be key to reaching that goal. Thank you for your consideration of these comments.

Sincerely,

Mark Dunford
Vice President

Dear Members of the Nye County Board of Commissioners,

I am writing to express my full support for the development of the Pahrump Fairgrounds and Activity Center. This complex represents a significant opportunity for creating a space that offers a wide range of activities for youth, families, and visitors. These fairgrounds can expand our range of offerings with our Fall Festival and Rodeo. We can provide our community with much-needed venues for entertainment, athletics, recreation, and cultural events, all of which will benefit our town, county and the entire region.

This development will not only offer enriching experiences but also boost Pahrump's economy by attracting visitors, creating jobs, and generating tax revenue. It's a win-win.

I truly believe the Pahrump Fairgrounds and Activity Center will be a positive impact and source of pride for our community. It's an investment that will bring us together and improve our quality of life. I hope the Board of Commissioners sees this vision and moves forward with this important project.

Thank you for your time and consideration.

Sincerely,

Tina Gancarz

I think the name should be Pahrump Community Fair Grounds. We are a community based there should not be an individual name placed upon it.

Good afternoon,

Attached is an upcoming agenda item that I thought you might be interested in providing written comment.

I am looking for letters of support and, what would you like to name the facility.

Your input is important to the Commissioners.

If you are interest in proving a letter, please send one back by Tuesday of next week to have it attached as backup.

Give us your thoughts.

Thank you for your continued support of Nye County.

RE: Potential Name for Nye County Community/Civic Center

Hello Debra!

I personally like the "Pahrump Fairground Activity Center" as the new name for the Nye County Community/Civic Center. It's simple, easy to remember and right to the point. No sense in making this complicated.

Respectfully!

To Whom It May Concern,

I have been a Town of Pahrump resident since I was 6 years old. I have seen this town grow, and I have witnessed all the potential this little rural area has to offer. I have raised my 4 children here and have made Pahrump my hometown. It is very exciting to know that eventually our little town will have our own Fairgrounds. I would like to offer some suggestions of names that I think would fit the recreation center at the Fairgrounds.

I am in support of the Fairgrounds and respectfully ask that you consider my suggestions of names for the upcoming facility.

Warm Regards,

Melissa Stepp

TO: Nye County Board of Commissioners
2100 Walt Williams Dr.

Dear Nye County Board of Commissioners,

I am writing to express my strong support for the development of the Pahrump Fairgrounds and Activity Center, specifically highlighting the critical need for dedicated ball fields and a larger, versatile space for community activities. I believe that this project, regardless of its final name (such as the "Outdoor Activity Center at the Pahrump Fairgrounds" or "Community Activity and Events Center at the Pahrump Fairgrounds"), is essential for the continued growth and well-being of our community.

The inclusion of well-maintained ball fields at the Fairgrounds will address a significant gap in our recreational infrastructure. Currently, our local sports teams and leagues struggle to find adequate and accessible fields for practice and games. Developing these fields will not only provide a safe and suitable environment for youth and adult sports but also foster a greater sense of community and promote healthy lifestyles.

Furthermore, a larger, multi-purpose community activity space is vital for hosting a wide range of events and programs. As outlined in the planned uses, this space could accommodate:

Community Gatherings: Providing a central location for local groups to meet, hold events, and offer programs.

Sporting Activities: Including indoor sports and pickleball, catering to diverse recreational needs.

Events and Exhibitions: Hosting trade shows, craft fairs, and other community events, boosting the local economy and engagement.

Emergency Shelter: Serving as a crucial resource during natural disasters or other emergencies.

Workshop Space: Offering classes and training related to fairground activities and community interests.

The Nye County Strategic Plan clearly outlines the county's commitment to improving the quality of life for its residents. Goals like Goal No. 5, which aims to build two additional recreational areas, and Goal No. 8, which seeks to increase multi-use facilities at county-operated parks and fairgrounds, directly align with the development of the Pahrump Fairgrounds and Activity Center.

The strategic plan's core values of "Communication and Engagement" and "Respectful service" are shown in the planning of this fair ground. The plan also states that the County will "seek to bring together our diverse communities by sustainably growing and providing critical public services". The activity center and ball fields are clear examples of this.

The addition of the ball fields and a large community activity area will:

Enhance recreational opportunities for residents of all ages.

Promote community engagement and social cohesion.

Support local sports and youth development.

Provide a versatile space for diverse community events.

Serve as a vital emergency resource.

Support goals within the Nye County strategic plan.

I urge the Nye County Board of Commissioners to prioritize the development of the Pahrump Fairgrounds and Activity Center, with a strong focus on the inclusion of ball fields and a spacious community activity area. This project will be a valuable asset to our community for generations to come.

Thank you for your consideration.

Sincerely,

William J Allen

LETTER OF SUPPORT

Dear Commissioners,

I am writing to express my full support for the proposed name "Pahrump Community Commons" as the official name for the new recreation and events center at the Pahrump Fairgrounds.

The term "Commons" evokes a deep sense of community — a welcoming place where Pahrumpians from all walks of life can gather, play, celebrate, and connect. Paired with "Pahrump," this name reflects both our town's identity and the shared spirit that makes it so special.

Pahrump Community Commons is more than just a name — it's a vision.

A central hub for recreational activities, youth programs, and wellness initiatives. A flexible space for cultural events, local markets, and county fairs. And a true investment in community pride, engagement, and connection.

This name carries clarity, warmth, and long-term branding potential. It's easy to remember, versatile across all ages and events, and rooted in the idea that this space belongs to **everyone** in Nye County.

I encourage the Board to approve the name Pahrump Community Commons as a lasting symbol of inclusion, progress, and hometown spirit.

Thank you for your time and continued leadership, and commitment to our community.

Warm regards,

Rene Morales
