This Development Agreement (the "Agreement") is made and entered into this _____ day of _____, 2025 by and between the County of Nye, State of Nevada (hereinafter "County") and **MRKULIC INVESTMENTS LLC**, (hereinafter "**MRKULIC**"), as owner of certain real property located at **800 W. Simkins Road, Pahrump, Nevada**, to be known as "Desert Trails Estates" and more particularly described as County Assessor's Parcel Number **043-141-15** (the "Property").

RECITAL OF PREMISES, PURPOSE AND INTENT

A. Developer owns that certain real property described and shown on Exhibit "A" attached hereto and incorporated herein by reference (hereinafter the "Property") containing approximately 13.55 acres of land, which is the subject of this Agreement.

B. The County has authority, pursuant to NRS Chapter 278.0201 to 278.0207 and Nye County Nye County Code, Chapter 16.32, to enter into development agreements with persons having a legal or equitable interest in real property to establish long-range plans for the development of such property.

C. All preliminary processing with regard to this Agreement has been duly completed in conformance with all applicable laws, rules and regulations. The Nye County Board of County Commissioners (hereinafter "BoCC"), having given notice as required by law, held a public hearing on Developer's application seeking approval of the form of this Agreement and the execution hereof by the BoCC. At that hearing, the BoCC found that this Agreement is consistent with the County's plans, policies and regulations, including the Pahrump Regional Planning District Master Plan (the "Master Plan"), and that the execution of this Agreement on behalf of the County is in the public interest and is lawful in all respects.

D. On the ____ day of _____, 2025 the BoCC adopted Ordinance No. _____ approving this Agreement and authorizing the execution hereof by duly constituted officers of the County. Said ordinance took effect on the 7th ____ day of July _____, 2025. The County agrees to record a certified copy of the ordinance as required by NRS Chapter 278.

E. The County desires to enter into this Agreement in conformance with the requirements of NRS Chapter 278, and as otherwise permitted by law and this Agreement, to provide for public services, as limited to and further defined within specific exhibits attached hereafter, to further the goals and values of the

County's Master Plan, to promote the health, safety and general welfare of the County and its inhabitants, to minimize uncertainty in planning for and securing orderly development of the Property and surrounding areas, to insure attainment of the maximum efficient utilization of resources within the County in a way that provides the highest economic benefit and least fiscal cost to its citizens, and to otherwise achieve the goals and purposes for which the laws governing development agreements were enacted. The conditions stated in this Agreement will reasonably mitigate the impacts that the development of the Property will have on the citizens of the Pahrump Regional Planning District. The County finds and determines that the conditions of this Agreement were not an inducement for the rezoning of the Property or to any other land use decision relating to the Property.

The County finds and determines, and the Developer agrees, that the conditions established in this agreement are unique to the Proposed Development (as defined in this agreement) and were negotiated at arms length between the County and the Developer, and that the conditions of this Agreement have no binding or precedential effect with regard to future development agreements in the County, and cannot be relied upon by the parties to this Agreement, or future applicants for rezoning, subdivision plat, or other land use approvals in other Development Agreements.

This Agreement is consistent with and will implement the goals and objectives of the County Code, Titles 16 and 17, and the Master Plan.

intent that the Planned Community be developed in the manner contemplated by this Agreement. Among such circumstances is the unavailability of water or other limited natural resources, Federal regulation of air and water quality, and similar conditions. It is not the intent of the parties nor shall this Section be construed as excusing the County or the Developer of any obligation hereunder or depriving the County or Developer of any right under this Agreement, which can be performed.

- (b) Notwithstanding the foregoing, should the County adopt or amend new ordinances, rules, regulations or policies that exceed the limitations of the foregoing Section 3.2, County may provide written notice to Developer within thirty (30) days of adoption or amendment of the same to allow Developer sufficient time to conduct due diligence. If the County provides the above stated notice, Developer may accept such new or amended matters by giving written notice. If Developer fails to give such written notice within thirty (30) days of receipt of notice by the County, such ordinances, rules, regulations or policies are deemed accepted by the Developer. County and Developer may execute an amendment to this Agreement evidencing Developer's acceptance of any new or amended ordinance, rule, regulation or policy.

In the event that any conflicting federal or state laws or regulations, enacted after the Effective Date, prevent or preclude compliance with one or more provisions of this Agreement or require changes in plans, maps or permits approved by the County, this Agreement shall remain in full force and effect as to those provisions not affected.

3.7 County Cooperation.

In accordance with applicable laws, the County shall cooperate with Developer, at the sole expense of the Developer, in securing any County permits, licenses or other authorizations that may be required as a result of any amendment resulting from actions initiated under Section 3.4, and Developer shall comply with the terms and requirements of all such permits, licenses or other authorizations. As required by the Applicable Rules, Developer shall be responsible to pay all applicable fees and expenses incurred by the County in connection with securing of such permits, licenses or other authorizations.

- (c) The Assignee shall assume all duties and obligations of Developer
- (d) County reserves the right to require documentation of the financial stability of any Assignee prior to the closing of the transaction. The County has the right to approve, approve with conditions, or disapprove such transfer in order to ensure that the Transferee has the same ability to fulfill the obligations of this Agreement as the Developer.
- (e) Except as expressly provided herein, no assignment or transfer of any portion of the Proposed Development shall relieve Developer of its obligations hereunder, and such assignment or transfer shall be subject to all of the terms and conditions of this Agreement. The County may, in its sole discretion, release the Developer of one or more of such obligations in a writing agreed to and executed by the County.
- (f) This subsection shall have no effect upon the validity of obligations recorded as covenants, conditions, restrictions or liens against parcels of real property.

Except as otherwise permitted by NRS Chapter 278 and this Agreement, this Agreement may be amended from time to time, but only upon the mutual written consent of the parties hereto. All proposed amendments shall be considered solely by the BoCC for adoption or rejection, provided however that the BoCC reserves the right to require the Developer to consult with the Pahrump Town Board and/or the Nye County School Board if a proposed amendment would, in the BoCC's opinion affect either of those entities.

3.10 Indemnity; Hold Harmless.

3.11 Binding Effect of Agreement.

The burdens of this Agreement bind, and the benefits of this Agreement inure to, the parties' respective successors in interest and the Property which is the subject of this Agreement.

3.12 Relationship of Parties.

It is understood that the contractual relationship between County and Developer is such that Developer is not an agent of County for any purpose and County is not an agent of Developer for any purpose.

Nothing in this Agreement shall be construed as creating or establishing any joint venture, partnership, or other business affiliation between the parties.

3.13 Entire Agreement.

This Agreement constitutes the entire understanding and agreement of the parties. This Agreement integrates all of the terms and conditions mentioned herein or incidental hereto and supersedes all negotiations or previous agreements between the parties with respect to all of any part of the subject matter hereof.

This Development Agreement (the "Agreement") is made and entered into this _____ day of _____, ~~2024~~2025 by and between the County of Nye, State of Nevada (hereinafter "County") and MRKULIC INVESTMENTS LLC, (hereinafter "MRKULIC"), as owner of certain real property located at 800 W. Simpkins Simkins Road, Pahrump, Nevada, ~~as commonly to be~~ known as "Desert Trails Estates Phase 2 Estates" and more particularly described as County Assessor's Parcel Number 043-141-15 (the "Property").

RECITAL OF PREMISES, PURPOSE AND INTENT

A. Developer owns that certain real property described and shown on Exhibit "A" attached hereto and incorporated herein by reference (hereinafter the "Property") containing approximately ~~13.08~~13.55 acres of land, which is the subject of this Agreement.

B. The County has authority, pursuant to NRS Chapter 278.0201 to 278.0207 and Nye County Nye County Code, Chapter 16.32, to enter into development agreements with persons having a legal or equitable interest in real property to establish long-range plans for the development of such property.

C. All preliminary processing with regard to this Agreement has been duly completed in conformance with all applicable laws, rules and regulations. The Nye County Board of County Commissioners (hereinafter "BoCC"), having given notice as required by law, held a public hearing on Developer's application seeking approval of the form of this Agreement and the execution hereof by the BoCC. At that hearing, the BoCC found that this Agreement is consistent with the County's plans, policies and regulations, including the Pahrump Regional Planning District Master Plan (the "Master Plan"), and that the execution of this Agreement on behalf of the County is in the public interest and is lawful in all respects.

D. On the ____ day of _____, ~~2006~~2025 the BoCC adopted Ordinance No. _____ approving this Agreement and authorizing the execution hereof by duly constituted officers of the County. Said ordinance took effect on the 7th day of July, ~~2006~~2025. The County agrees to record a certified copy of the ordinance as required by NRS Chapter 278.

E. The County desires to enter into this Agreement in conformance with the requirements of NRS Chapter 278, and as otherwise permitted by law and this Agreement, to provide for public services, as limited to and further defined within specific exhibits attached hereafter, to further the goals and values of the

County's Master Plan, to promote the health, safety and general welfare of the County and its inhabitants, to minimize uncertainty in planning for and securing orderly development of the Property and surrounding areas, to insure attainment of the maximum efficient utilization of resources within the County in a way that provides the highest economic benefit and least fiscal cost to its citizens, and to otherwise achieve the goals and purposes for which the laws governing development agreements were enacted. The conditions stated in this Agreement will reasonably mitigate the impacts that the development of the Property will have on the citizens of the Pahrump Regional Planning District. The County finds and determines that the conditions of this Agreement were not an inducement for the rezoning of the Property or to any other land use decision relating to the Property.

The County finds and determines, and the Developer agrees, that the conditions established in this agreement are unique to the Proposed Development (as defined in this agreement) and were negotiated at arms length between the County and the Developer, and that the conditions of this Agreement have no binding or precedential effect with regard to future development agreements in the County, and cannot be relied upon by the parties to this Agreement, or future applicants for rezoning, subdivision plat, or other land use approvals in other Development Agreements.

This Agreement is consistent with and will implement the goals and objectives of the County Code, Titles 16 and 17, and the Master Plan.

NOW THEREFORE, for and in consideration of the foregoing recitals and of the mutual covenants and promises set forth herein, the parties do hereby agree as follows:

Based upon the nature of the Proposed Development, the type and extent of the public improvements and infrastructure to the Proposed Development to be provided by Developer, and the type and extent of the public and private improvements to be provided within the Proposed Development, the Developer's decision to commence development of the Proposed Development is based on expectations of proceeding and the right to proceed with the Proposed Development in accordance with this Agreement, the Applicable Rules and the Zoning Action. - (b) Notwithstanding the foregoing, should the County adopt or amend new ordinances, rules, regulations or policies that exceed the limitations of the foregoing Section 3.2, County may provide written notice to Developer within thirty (30) days of adoption or amendment of the same to allow Developer sufficient time to conduct due diligence. If the County provides the above stated notice, Developer may accept ~~or not accept~~ such new or amended matters by giving written notice. If Developer fails to give such written notice within thirty (30) days of receipt of notice by the County, such ordinances, rules, regulations or policies are deemed accepted by the Developer. County and Developer may execute an amendment to this Agreement evidencing Developer's acceptance of any new or amended ordinance, rule, regulation or policy.

3.6 Conflicting Federal or State Rules.

In the event that any conflicting federal or state laws or regulations, enacted after the Effective Date, prevent or preclude compliance with one or more provisions of this Agreement or require changes in plans, maps or permits approved by the County, this Agreement shall remain in full force and effect as to those provisions not affected.

~~3.7 Cooperation in Performance.~~

~~The parties hereto agree to cooperate with each other in good faith and to take such additional actions, including the execution and delivery of documents and instruments, as may be necessary or appropriate, to fully effectuate and carry out the terms, provisions, purposes and intent of this Agreement. Notwithstanding the foregoing, Owner shall not have a right to obtain any Discretionary Approval from the County, however it shall not be unreasonably withheld from Owner.~~

3.7 County Cooperation.

In accordance with applicable laws, the County shall cooperate with Developer, at the sole expense of the Developer, in securing any County permits, licenses or other authorizations that may be required as a result of any amendment resulting from actions initiated under Section 3.4, and Developer shall comply with the terms and requirements of all such permits, licenses or other authorizations. As required by the Applicable Rules, Developer shall be responsible to pay all applicable fees and expenses incurred by the County in connection with securing of such permits, licenses or other authorizations.

3.8 Assignment.

- (a) Developer shall not sell, transfer, ground lease or assign the Subject Property or this Agreement in whole or in part to any person, affiliate, partnership, joint venture, firm, company or corporation (any of the foregoing, an "Assignee") without the written consent of the County.
- (b) The Assignee shall assume in writing all obligations of Developer hereunder, and provide substitute security in a form and an amount acceptable to the County for any security previously provided by Developer in compliance with the Code, if any.
- (c) The Assignee shall assume all duties and obligations of Developer
- (d) County reserves the right to require documentation of the financial stability of any Assignee prior to the closing of the transaction. The County has the right to approve, approve with conditions, or disapprove such transfer in order to ensure that the Transferee has the same ability to fulfill the obligations of this Agreement as the Developer.

- (e) Except as expressly provided herein, no assignment or transfer of any portion of the Proposed Development shall relieve Developer of its obligations hereunder, and such assignment or transfer shall be subject to all of the terms and conditions of this Agreement. The County may, in its sole discretion, release the Developer of one or more of such obligations in a writing agreed to and executed by the County.
- (f) This subsection shall have no effect upon the validity of obligations recorded as covenants, conditions, restrictions or liens against parcels of real property.

All such financing transactions shall be subject to the terms and conditions of this Agreement.
