<b>TOTAL GENERAL OBLIGATION DEBT</b>				<b>24,828,656</b>
SOURCE: The County's Final Budget FY 2025-2026				

The County's debt service ad valorem tax rate for Fiscal Year 2024-2025 is .00 cents per \$100 assessed valuation. The County's tax base, i.e., the total assessed valuation within the County, is \$2,463,174,325.

**General Obligation Bonds & Medium-Term General Obligation Bonds Source of Funding**

NRS 350.013 1.(c)(6) *A discussion of its sources of money projected to be available to pay existing general obligation debt, authorized future general obligation debt, and proposed future general obligation debt;*

The County does not currently, or plan to, levy a tax rate to repay outstanding bonds. In Fiscal Year 2016 the Nye County Board of County Commissioners collapsed the Capital Projects Endowment fund (10493) and those remaining funds were budgeted to be transferred to the Debt Service fund (10391) for future years' debt payments. Traditionally the County's general debt obligations are paid via ad valorem property taxes and net proceeds, this is true FY18 through FY26. FY26 net proceeds are budgeted as an operating transfer from the County General Fund into the County Capital Fund (10401) to fund capital projects, as well as maintain funding levels for debt payments. It should be recognized that changing circumstances require flexibility and revision to the standard operating procedure.

The following table details the cashflows in the County's Capital Fund.

<b>County Capital Fund (10401)</b>			
	<b>2024 Audited</b>	<b>2025 Estimated</b>	<b>2026 Budgeted</b>

2. SOURCE: Population: Population as certified by Governor located here. <https://tax.nv.gov/news-publications/demographics/>

**Per Assessed Valuation:**

The County's general obligation debt as a percentage of assessed valuation of all taxable property within the boundaries of the County equals 1.11% for FY25.

**Method of Sale:**

*NRS 350.013 1.(c)(5) Policy regarding the manner in which the municipality expects to sell its debt;*

***The County does not expect to sell any new debt in FY 2025-26.***

Bonds can generally be sold at a competitive sale, negotiated sale, or privately placed.

**Competitive Sale** - Offering documents are sent to any firm interested in purchasing the bonds. A day and time are chosen for the sale and bonds are awarded to the firm offering the lowest true interest cost ("TIC") on the bonds. The TIC is the discount rate which results in a present value of the future debt service payments equal to the amount bid for the bonds.

**Negotiated Sale** - One firm, or group of firms, is chosen in advance to offer the bonds for sale. At the time of sale, interest rates and other terms of the bonds are negotiated with the Underwriter.

Private Placement - A purchaser, usually an individual or bank, is identified and the bonds are placed directly. Interest rates and other terms of the bonds are negotiated with the purchaser.

NRS 350 generally requires bonds issued by the County to be sold at competitive sale. For most County general obligation bonds a competitive sale will usually result in the lowest true interest cost on the bonds. There are certain circumstances under which the County would consider a negotiated sale or private placements. Such circumstances include, but are not limited to:

- 1) Bonds issued with a variable rate of interest
- 2) Bonds rated below A- or not rated
- 3) Very small or very large bond issues
- 4) Unstable or highly volatile markets
- 5) Bonds with unusual security or structure

The County will follow the requirements of NRS 350.155 in choosing a method of sale for its bonds. If the County determines that a negotiated sale is warranted for a general obligation bond or a bond secured by an excise tax, it will distribute a request for proposal to underwriting firms. The selection of an underwriter(s) will be based on a determination of the firm that demonstrates its ability to obtain the overall best interest rate for County. Consideration in making this determination will be given to the firm's experience with similar financings, proposed compensation structure, and marketing plan.

**Operational Costs of Future Capital Projects**

*NRS 350.013 1.(c)(7) A discussion of its operational costs and revenue sources, for the ensuing 5 fiscal years, associated with each project included in its plan for capital improvement submitted pursuant to paragraph (d), if those costs and revenues are expected to affect the property tax rate.*

The County has prepared a Capital Improvement Plan, which is attached as Appendix B. The operational costs for the County capital improvement plan are paid from both the County Capital Fund (10401) and the County Special Capital Fund (10402). The County Capital Fund (10401) generates revenues from Ad Valorem taxes, an operating transfer out of the County General Fund for Net Proceeds revenues, and investment income. The tax rate for the support of capital projects from fund 10401-Nye County Capital was reinstated for the FY21 year with a tax rate of \$0.035 per \$100 of the assessed valuation, this tax rate was not established by raising the overall property tax rate but from a reallocation of the existing property tax rates within Nye County's purview The County Special Capital Fund (10402) receives revenue from Ad Valorem taxes, and investment income. The tax rate for the support of the County's capital purchases in fund 10402-Nye County Special Capital Fund is set by NRS 354.59815 at \$0.025 per \$100 of the assessed valuation. As such, any capital costs incurred by the County are not expected to affect the tax rate.

**Capital Improvement Plan**

*NRS 350.013 1.(d) Either:*

- (1) Its plan for capital improvement for the ensuing 5 fiscal years, which must include any contemplated issuance of general obligation debt during this period and the sources of money projected to be available to pay the debt; or*
- (2) A statement indicating that no changes are contemplated in its plan for capital improvement for the ensuing 5 fiscal years.*

A summary of the County's five-year Capital Improvement Plan (CIP) is attached as Appendix B. The County currently utilizes Ad Valorem as a funding source for capital projects - interest income, governmental services tax revenues, and net proceeds. These funds are generally used for major repairs, remodeling, and additions to County facilities. Funding for larger capital projects has traditionally been funded with voter-approved general obligation bonds.

**Chief Financial Officer of the County**

*NRS 350.013 1.(e) A statement containing the name, title, mailing address, and telephone number of the chief financial officer of the municipality.*

The chief financial officer of the County is:

**Helen Bae, Comptroller**  
1981 E. Calvada Blvd. Suite 100  
Pahrump, Nevada 89048

**APPENDIX C**  
**NYE COUNTY INDEBTEDNESS REPORT**  
**FY26**

**INDEBTEDNESS REPORT**  
As of June 30, 2025  
Due August 1, 2025 (postmark deadline)

Entity: Nye County, Nevada

Date: July 15, 2025

**DEBT MANAGEMENT COMMISSION ACT (NRS 350.013)**

1. Has your local government issued any new General Obligation Bond issues since July 1, 2024? Yes  No

If so, amount: \_\_\_\_\_ Date: \_\_\_\_\_

2. Has your local government approved any new Medium-Term Obligation issues since July 1, 2024? Yes  No

If so, amount: \_\_\_\_\_ Date: \_\_\_\_\_

3. Has your local government updated its debt management policy? (Per NRS 350.013) If Yes, submit updated policy with Indebtedness Report or prepare a statement discussing the following areas: Yes  No

- A. Discuss the ability of your entity to afford existing and future general obligation debt.
- B. Discuss your entity's capacity to incur future general obligation debt without exceeding the applicable debt limit.
- C. Discuss the general obligation debt per capita of your entity as compared with the average for such debt of local governments in Nevada.
- D. Discuss general obligation debt of your entity as a percentage of **assessed valuation** of all taxable property within the boundaries of your entity. (REDBOOK FY 2024-2025)
- E. Present a policy statement regarding the manner in which your entity expects to sell its debt.
- F. Discuss the sources of money projected to be available to pay existing and future general obligation debt.
- G. Discuss the operating costs and revenue sources with each project.

If No, please provide a brief explanation.

4. Has your local government updated its five-year capital improvement plan? Yes  No   
**(Required pursuant to NRS 350.013, 354.5945 & 354.5947)**
