

PUBLIC NOTICE

On September 16, 2025, the Nye County Board of Commissioners approved a waiver of landfill tipping fees for yard waste every Saturday.

Beginning September 27, 2025, Nye County residents who self-haul their own yard waste to a Nye County landfill may dispose of it free of charge on Saturdays only.

Accepted yard waste includes:

- Grass and grass clippings
- Leaves and house/garden plants
- Tree trimming/branches
- Bushes, shrubs, and associated clippings

This waiver applies only to Nye County residents hauling their own waste. Landscapers and commercial haulers will continue to be charged the regular tipping fee.
