NYE COUNTY BOARD OF COUNTY COMMISSIONERS STAFF REPORT

Meeting Date: January 6, 2026

Prepared By: Lorina Dellinger

GENERAL INFORMATION SUMMARY

Court Services Division at the Pahrump Justice Court comes into contact every day with individuals both in and out of custody, and they see how the “homeless” population is growing in our community. In light of this, they made county management aware of an ongoing situation developing in Pahrump involving the homeless and Sober Homiez.

As individuals check in with Court Services, they often have to provide information about where they live, and during the interaction, additional information is often volunteered about what they are currently doing. As it turns out, many of the individuals are former residents of Las Vegas, but now homeless. How does this happen? Well, it would seem that many are transported to the Sober Living Homes offered by Sober Homiez, and once their Medicaid limits are exhausted, Sober Homiez more or less kicks them out. The individuals have no means to return to Las Vegas, which in turn causes them to become homeless in Pahrump and accumulate at our parks, which causes additional issues.

It was approximately a year ago when the Court Services Division was approached by Sober Homiez to promote their programs. Before they made any determination, they conducted research and found that the Managers at that time had active warrants in the greater Las Vegas area; that aside, they determined their programs were not compatible with the court's requirements.

Court Services understands the need for a good facility locally, and perhaps the program they are offering is good and may be needed by some, but due to ongoing issues, Court Services will not be using them.

Good afternoon.

It has come to the court's attention that Sober Homiez may be in the purview of a member of the BoCC. We would like to provide some inside knowledge as to how their processes work.

Our Court Services Division here at the Pahrump Justice Court comes into contact every day with individuals both in and out of custody, and they see how the "homeless" population is growing in our community. In light of this, we would like to make you aware of an ongoing situation developing here in Pahrump involving the "homeless" and Sober Homiez.

As individuals check in with Court Services, they often have to provide information about where they live, and during the interaction, additional information is often volunteered about what they are currently doing. As it turns out, many of our individuals are former residents of Las Vegas, but now "homeless". How does this happen? Well, it would seem that many are transported to the Sober Living Homes offered by Sober Homiez, and once their Medicaid limits are exhausted, Sober Homiez more or less kicks them out. The individuals have no means to return to Las Vegas, which in turn causes them to become "homeless" in Pahrump and accumulate at our parks, which causes additional issues.

It was approximately a year ago when our Court Services Division was approached by Sober Homiez to promote their programs. Before we made any determination, we conducted research and found that the Managers at that time had active warrants in the greater Las Vegas area; that aside, we determined their programs were not compatible with the our court's requirements.

We understand that the need for a good facility locally, and perhaps the program they are offering is good and may be needed by some, but due to ongoing issues, we will not be using them.

Respectfully,

SOBER HOMIEZ IS ASKING FOR HELP FROM EVERYONE WHO HAS SHOWN US SUPPORT IN THE LAST 6 1/2 YEARS, TO SPEAK ON OUR BEHALF.
THIS IS FOR THE BATTLE AGAINST DAVID AND GOLIATH, FOR THE GROWTH OF OUR MISSION.

Everyone knows that we have battled with the white supremacy issues out in Pahrump Nevada, since we planted our flag there, even with the obstacles we have had there, we have held our ground with the Faith Based Program built.

We have been falsely accused of multiple accusations that are far from what our mission at Sober Homiez stands for.

All of us at Sober Homiez are asking, if you truly believe in our program, please come on Tuesday-January 6th at 9:30am to speak up on our behalf with the work we do in the community.

Meeting starts at 10am

Location

County Commission Chambers
2100 E Walt Williams Drive
Pahrump, NV 89048

All our leaders and attorneys will be there.

Please do not post this, this is a Commissioners Meeting we have been summoned to, also if you are a political leader in Nevada, we are asking you to come and observe to make sure that we have a fair chance to have our voices heard, or if you know a Political Leader for Nevada pass this message on.

Stand with us as we speak for the people, please come.

Amen 

SHARE LAS VEGAS AND PAHRUMP NEVADA.

I would like to make a formal apology, to the Commissioners Of Nye County, in confusion this had nothing to do with a White Supremest issue.

It was about an ordinance that is going to be implemented in Nye County.

I let my emotions get the better half of me, because I was hurt.

I want to thank all the Nye County Commissioners, for letting Sober Homiez be a part of Pahrump Nevada.

I truly Hope we can all get past this together, and humbly apologize.

Sober Homiez

Paul Marino
